An amazing lifetime experience planned for San Diego Girl Scouts ONLY!!!! 12 days of Adventure.

We will be visiting Three European cities. Two WAGGGS World Centres. Girl Scouts will experience the best of both worlds as incredible adventures take them through the bustling streets of London, Paris, and high up into the Swiss Alps. At Our Chalet and Pax Lodge, the Scouting World Centers, we'll arrange for girls to have special pinning ceremonies - making their visits forever memorable and meaningful.

Our trip will include watching a play in London, historical sites and tours, learning to cook regional specialties, and loads of adventures! We will have opportunities to get together over the Spring to plan, get to know each other, and learn about the culture before we go.

Come to our parent and girl scout information night to learn more about the itinerary, costs, fundraising ideas and schedule.

**Non-girl Scouts welcome to join.
Bring a friend (or two) to the information meeting.**
