

Bridging Workshop

Complete the two bridging requirements so your troop is ready to bridge!

Join Senior Girl Scout Carina Lutz for an evening of bridging fun. Girls will complete the two bridging requirements through fun group activities

- Look Ahead! (learn about what awaits you at the next level in Scouts)
- Pass it On! (share what you've learned with younger Scouts)

We'll share about Girl Scout experiences so far, complete a fun craft, and learn about the next level in scouting. Plus, girls will learn about camping and travel opportunities that lie ahead in scouting!

Please note that girls will not bridge during the workshop, only complete the requirements.
